

REMARKS/ARGUMENTS

The Supplemental Amendment is being filed in response to the Notice of Non-Compliant Amendment mailed May 27, 2005 and the Amendment which was filed by the Applicant with the U.S. Patent and Trademark Office on May 16, 2005. It has come to our attention that there was a computer error and the claims submitted with the May 16, 2005 Amendment printed incorrectly. The specification has been further amended to reflect the intended meaning of the language as originally filed.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858-350-6100.

Respectfully submitted,
